

**PENNSBURY TOWNSHIP PLANNING COMMISSION MINUTES
MARCH 28, 2005**

Scotty Scottoline called the meeting to order at 7:30 p.m. Present were Michael Lane, Steve Bucci, Tony Sciscione and resident Alma Forsyth. The minutes were approved as submitted.

Update Comprehensive Plan – Carol Stauffer from the County Planning Commission was present to review open space and recreation recommendations. Kathy Howley asked when the public meeting will take place for review of the draft. Ms. Stauffer stated this could take place after the members review the final draft which would probably be sometime in October of this year.

There was much discussion on the open space network map as far as the correctness of parcels that are shown as protected and what should be included in a greenway and non-linear open space. The following comments were made:

streams, woodlands, trails – greenways follow these corridors
discussion on connecting population areas to other areas of interest in the township.
open space, recreational fees in lieu of dedicated ground.
growth boundaries – will not use this term

Questions noted in the text by the county were answered and Carol suggested if there are any other concerns please email her. The next meeting will be April 25th. With no further business the meeting adjourned at 9:30 p.m.

Respectfully submitted,

Kathleen Howley
Recording Secretary
