

**PENNSBURY PLANNING COMMISSION MINUTES
OCTOBER 24, 2005**

Vice Chairman Scotty Scottoline called the meeting to order at 7:30 p.m. Michael Lane, Scotty Scottoline and Kathy Howley were present. Also in attendance was Alma Forsyth to assist in the review of the Comprehensive Plan.

Carol Stauffer and Hillary Krummrich from the County Planning Commission was present to continue with the review of the plan. Carol Stauffer covered questions left over from the previous chapter reviews. Ms. Krummrich went over the implementation strategies for transportation, community facilities and recreation. There was discussion on some items and changes noted. There as a question on official maps. Ms. Stauffer noted that the official map process is not as costly as it was in the past. Perhaps that is why official maps were not done very much. This might make them more attractive to do in the future.

This concludes the update of the plan and now all comments will be incorporated into a final draft which will be put together during the month of November. There will be NO second meeting in November. The draft will be available to members sometime in December. They are to review the final draft, get back to the county with their comments before the draft is presented to the supervisors and public. A letter will be sent to David Ward at the County Planning Commission requesting a 6 month extension to our contract with them.

With no further business the meeting adjourned at 9:30 p.m.

Respectfully submitted:

Kathleen Howley
