Carol Stauffer and Hillary Krummich were present from the County Planning Commission to discuss the draft of the Comprehensive Plan. A discussion followed on the timing of the completion of the draft review and when a public hearing would be held. Carol Stauffer will discuss check with the County as to our contract time period and when we would have to have everything completed. It would appear that the public hearing would be in May and the plan adopted by the township by month end. Copies of the draft will be sent to the supervisors for their review also.

Chapters 2, 5, 6 and section of chapter 14 were reviewed and changes noted. The historic resource map was handed out to members. The township historic commission is still completing their historic inventory and the information will not be available for this plan. The next meeting with members will be February 28th and we hope to conclude the review process by March. There will be no meeting on January 24, 2006.
